

Regulars at The Ould Sod

“Hands down, one of the most fun spots for karaoke in town.” —ECS

## \* PLACE TO FORGET ABOUT A BAD DAY: THE OULD SOD

Normal Heights' The Ould Sod isn't a bar where you drown your sorrows—you leave them at the door. People inside wouldn't be able to comprehend your facial expression if you walked in with a frown. They live in the cozy world where live music, Irish traditions, free jukeboxes, good company, chatty bartenders, shamefully addictive karaoke and the best pour of Guinness in the city are part of their daily routine. See?
